[RESOLVED] VB6 right mouse button click event

I want to make an event handle when right mouse button is clicked on form. I cannot find it in the vb6 events for form.

Re: VB6 right mouse button click event

Code:

```
Option Explicit
Private Sub Form_MouseUp(Button As Integer, Shift As Integer, X As Single, Y As Single)
    If Button = 2 Then
        PopupMenu test
    End If
End Sub
```

Re: VB6 right mouse button click event

Code:

```
Private Sub Form_MouseDown(Button As Integer, Shift As Integer, X As Single, Y As Single)
    Debug.Print Button
End Sub
```

Button = 1 -> Left Button
Button = 2 -> Right Button

Re: VB6 right mouse button click event

What is Shift?

Re: [RESOLVED] VB6 right mouse button click event

The Shift key. If you want to detect if th user is holding down the shift key and clicking with the mouse.

Re: [RESOLVED] VB6 right mouse button click event

thanks

if shift = 1 and button = 1 then

this
